ROAD BLOCKS TO RECEIVING

GOD'S LOVE

I was born into a farm family. We had a fruit and dairy farm, shortly after the great depression of the 29 and early 30s just before World War 2 began.

There were four of us children. I had an older sister who was the first born, then a year and a half later I was born, in February of 1935. A year and a half later my younger sister was born, them a year and a half later my brother was born.

During the 1930s most everything had to be done with horses and much manual labor, the steam engine tractors were being phased out and small tractors were beginning to be introduced into some of the larger farms. Many long hours were spent milking the cows, planting, tending and harvesting the crops. Hay was handled one fork full at a time and loaded on wagons, hauled to the barns and unloaded to be kept, to feed the live stock through the winter, until they could be let out to pasture. Then we would start the whole process over again.

My brother and I started helping with some of the more simple tasks at a very young age, working with our dad and the two men he had helping him. We did not grow up like most children in towns and cities. We had to help feed the caves and any other light work which freed up the men for the more strenuous work of milking the cows by hand, feeding the cattle and cleaning out the barn.

While all this farm work was being done my mother was busy taking care of me and my siblings, cooking, doing laundry with a ringer washer that required her undivided attention. She would put the cloths in the wash machine to wash, rinse them in cold water then run them through a ringer. Once she finished ringing then out she would hang them on a cloth line out doors to dry in the sun and wind while another load is being washed in the wash machine.

As if that was not enough she had us kids to feed, change our cloth and diapers that would need soaking and washing and drying. She cooked, baked bread,

canned vegetables she had grown in our garden, as well as fruit and the meat from animals dad had raised and butchered. We did not have freezers to store our food in like we do today. As you can see both our dad and mother had their hands full so to speak. They did not have much time to spend with us kids because there was always work to be done while there was light enough to work.

Love Not Expressed

Most father's and some mother's had not been taught how to express their love for their children in a meaningful way making them feel loved and special to their father and mother. When you add that to the fact they are worn out by the activities of the day which could cause a child to feel unworthy or unlovable.

This can and in many cases cause a child to feel they are unworthy which, could set them up for an attack by satan his evil spirits and demons. In many cases a child may be naughty just to get some attention. It will not be the attention they were hoping fore but it was attention. This activity can carry over into school where a teacher, who is also under pressures of his or her day, will also discipline the child and after many such incidents, the child could be labeled a trouble maker. The label in many cases will follow the child throughout their school years and on into their adult life. A child can grow up feeling they are worthless and could start drinking, get involved with other's who feel the same way, ending up in trouble with the law, causing them to spend time in an out of prison.

The above statement could happen to a boy or girl, but with a girl who has not felt loved by her parents could leave home looking for a better life. Only to get involved with the first man who come along and pays attention to her. In many cases she would realize he did not love her but was only using her. She could end up going from one abusive relationship to another becoming overwhelmed and in some cases decide she no longer wish to live and would take their own life.

Every time a person feels unloved, rejected by others or feel they have been injured by someone they build a wall to protect their hearts from further hurts, or the hurts from the past, from tormenting them.

As time goes on a person could build so many walls for protection to a point there is no longer room in their heart for the love an individual is trying to give them. This can apply to individuals who are reaching out to them in love, but also prevent them from receiving the love God is pouring out on them, every minute of the day year after year. Some people will never be able to receive God's love unless God can use one of His children to minister love to the individual. Sometimes God will have to bring someone who has gone through what the person is going through. When they hear how someone had to deal with the same problem they have, their problem may no longer seem so over whelming and he or she will be able to receive love from others and also from God Himself.

Cause and Effect

In many cases a child can be attacked by satan while he or she is still in their mother's womb which can be the result of un-forgiven sins of one's ancestors or their own sins. In most cases a person is not aware that this could ever take place let alone in their family. That was my case, I had been plagued with a particular sin most of my life and never understood why it was happening to me.

When I was a child of about five years old mother took us kids to Bible School one summer and I went up front and said the sinner's prayer and believed I had become a child of God. When I was about six and a half years old my, Grand Father died and about that time in my life I began having feeling I was not able to control. I would do fine for a time and then I would become overwhelmed and could no longer control those feelings and thoughts

This went on for many years even after I was married. In 1959 after being discharged from the Marine Corps my brother and I took over the family farm spending many long hours as much as sixteen and eighteen a day trying to keep our expenses to a minimum. After about four or five years my wife and I joined the local church I had grown up going to. Some years later I was asked to be a Deacon, I taught an adult Sunday School class and my wife and I were youth leaders for the high school age students at church and taught them about life that

we were still trying to figure out for ourselves and we would take them on local trips and outings.

I had served as a deacon for a number of years and while in my second or third term as an Elder, one night while I was getting ready for bed ***the Lord told me I was not His child and I did not belong to Him. Talk about a wakeup call, it was April 28, 1988, I immediately got down on my knees by the side of my bed and confessed my sins, the same sins I had been confessing many times over, but this time I asked Jesus to come into my heart and be Savior and Lord of my life****. I experienced peace and contentment I had never experienced before in my entire life and I had tears running down my cheeks. I did not understand the tears until the Lord took me to* **Romans 5:5** ***there I read; hope does not disappoint us because God pours His love into our hearts through the Holy Spirit whom He has given us, (****God poured so much of His love into my heart tears of joy flowed forth).*

Something happened: I was no longer tormented by the feelings that had been haunting me, from the time I was six and a half years old. ***I never understood what had happened until years later. I was now born again and had received the indwelling of the Spirit of Christ Jesus and whatever had been tormenting me had left.***

I now had a hunger for the Word of God and started to read the Bible in earnest. As I continued reading the Bible I learned more about the gifts of the Holy Spirit and wanted everything God had for me. On October 4, 1990 I went to a neighboring church to received water baptism by emersion, I must admit I had no idea what it truly meant to be water baptized, I only felt it was something I needed to do. ***I now believe the only thing I accomplished was get wet.***

The more I read the greater my hunger became and the desire for the gifts also became stronger. After reading 1 Corinthians 12:6-11; 12:28-31; 14:1-5 I *began asking God for the gift of speaking in my heavenly language, (tongue).*

On August 21, 1991 while on a business trip to Richmond Virginia where I attended one of Kenneth E. Hagens Camp Meetings to receive the gift of speaking

in my Spiritual Tongue. I did not receive the gift while in the meeting, it was not until I had gotten in my van and reclined in my seat, while waiting for the traffic in the parking lot to abate, I went into a state in time where time seemed to stand still, while the time around me kept moving. When I returned to the natural realm I found myself speaking in my heavenly language. There were only three or four parked cars still setting in the parking lot, so I have no idea how long I was in the time warp situation.

I was used by the Lord to minister healing and deliverance to a man with an evil spirit in Crossville, Tennessee over the telephone from Casnovia, Michigan some 500 miles away as a crow flies. He had gone to a shaman for healing but had gotten a demon instead. During the deliverance process the demon put him into a trance trying to keep him from being delivered. After getting him out of the trance, I ask, "Did you hear what I had said," "No I didn't hear a single word," was his answer. I asked the Lord what I needed to do and He referred me to the time when Jesus was teaching in the Synagogue, where a man, who was possessed with a demon confronted Jesus. Jesus said, "Be still and come out of him" and the demon came out of the Man. **Luke 4:33-35.** *I ask the Lord, "Do you want me to take authority over the demon and command it to be still in the natural" and He answered, "Yes." I took authority over the demon and commanded it to be still in the natural. Then I ask the Lord where I should send the demon and He reminded me of* **Luke chapter 8:30-31,** *where Jesus had asked the demon possessed man, "what is your name," and he said, "**Legion" because there were 2,000 demons in the man.** So I took authority over the demon and sent it to the Abyss, telling it not to torment anyone on the way. I then commanded it to stay there until Jesus sets you free, then I spoke healing for him and the deliverance was complete.*

On Labor Day of 2004 the Lord used me to deliver a woman from demons that would not allow her to get a good night's sleep she was only able to get a cat nap now and then becoming completely exhausted. Jesus had me stop over at my neighbor's house and while there she told me an acquaintance of hers told her she was going to kill herself because she was not able to sleep and was

Completely exhausted and could not go on living. ***After casting out the spirits of depression and suicide and commanding them to go directly to the Abyss and do not torment anyone on the way and stay there until Jesus sets you free****. I thought I was finished but* ***the Holy Spirit said, "Your are not finished, there still more demons," so I told the woman what the Holy Spirit said and I told her, "I do not know what more to say or do but if you will allow me to speak in tongues you will be completely set free." She said, "OK" when I finished speaking in tongues she went limp and slumped against the railing she was setting next to. If the Lord had not given me the gift of tongues the woman would not have been set free and could have been put in greater danger.***

About 3:00 AM the Lord woke me up and said, "Pray for the woman," so, I prayed for her in tongues and went back to sleep. When I went to see the woman the next morning about 11:30 AM ***she told me she slept like a baby, but had to get up in the night to go to the bathroom, she was still so weak she had to crawl to the bathroom on her hands and knees to get there. I told her she needed to make Jesus Savior and Lord, but she said she could not, because she had a problem with submitting, so I told her about Matthew 12:43-45,*** *how seven more demons plus the original one entered a man who was delivered, I told her, "with - out the Spirit of Jesus in you it could happen to you," She Said, "No I can't do it."*

I learned several lesson that night. ***Lesson # 1*** *Do not try to deliver a person of demonic spirits unless you are born again and have the Spirit of Jesus dwelling in you and are able to hear from the Holy Spirit and speak in tongues,* **Acts 19:13-16.** ***Lesson # 2*** *Ask the person who is to be delivered if they are willing to make Jesus their Savior and Lord when they are set free. If they answer no****, stop!*** *Do not go ahead with delivering the individual,* **Matthew 12:43-45.** ***Lesson # 3*** *Explain to them that their commitment to Jesus must be a heartfelt desire to make Him their Lord and if it is not, they will not receive the indwelling of His Spirit to protect him or her from having many more spirits entering into them.*

Lesson # 4 *If a person is willing to make Jesus Lord of their life, take authority over the demon or demons and command them to be still in the natural in the*

name of Jesus. If a person has asked for deliverance you have received their permission, so you can take authority over the demon and command it to be still in the natural in Jesus name. Make sure he or she understands their commitment to Jesus must be a heartfelt commitment. If they agree then lead him or her in a prayer for their salvation.

Around April 20, 2009 I received the gift of interpreting tongues or (different known languages) and have received many word of knowledge through the gift of interpretation. One of which was a word of knowledge that Donald Trump would win the 2016 Presidential Election and he would win with 290 Electoral Votes, which he received on the night of the election, *he however had not receive the Michigan votes until two weeks later, to give him over 300 total votes.*

I ask the Lord about the 2020 Presidential Election, whether President Trump would be re-elected and He assured me he would and the Republicans would get a super majority in both the House and Senate.

How to Express Ones Love

In the year 2005 The Lord had we start expressing Love to people, young and old, the love their earthly father was unable to express to their wife or their children. In most cases they loved them dearly, but were not taught by their fathers or any other man how to express love in a meaningful way. The Lord has revealed to me just how important it is for a person to feel loved by their father and mother. *If they do not feel loved they will be set up for attacks by satan and could find themselves in trouble with the law, addicted to drug or alcohol, not even sure of their gender, other vices and possibly in and out of prison.*

When I stand in for a person's father I will have them set in a chair and I will get down on one knee and tell them to look me in the eye. God will pour His love for the person into me so they can see God's love coming through my eyes. Then I tell them as their father just how he felt the first time he saw his son or daughter. Iwill tell them I thought my heart was going to jump right out of my chest, ***when I first saw them, I was so blessed to think God would give a strong, perfect***

hansom boy and if a girl for giving me a perfect, beautiful, young princes and express love. I will ask for their forgiveness and speak a father's blessing over them and will also bless their mother's womb and the fruit of her womb. Once finished I will ask if they would give their dad a hug. I have never been turned down; I will get a big long tight hug that will last for several seconds or until they are ready to stop*.*

The Lord revealed to me, when a person has not felt loved by their father or mother they are more likely to be susceptible to being hurt by the attacks satan instigates through other people he controls. When a person feels they have been under attacks they will start building walls in their heart to keep from being hurt again and each time they are hurt another wall will go up. It can get to the point where there is no room left to receive love from others or God Himself. The walls must be broken down. A person needs to ask Jesus to give them the name of the wall, so they can ask Jesus to tear it down and ask Him for His protection. We need to forgive our fore fathers as far back as Adam and also forgive our self.

A person may have built many walls to protect themselves from being hurt. Each time a wall is removed they need to ask Jesus to restore that part of their heart and open it up to the rest of their heart. They will have to continue this process until their heart becomes completely whole once again.

I to was having trouble experiencing the love God was pouring out on me every minute of the every day, year after year. Jesus led me to a book in-titled Open My Heart Lord (Healing for the Broken Heart) by Kathi Oates with Robert Paul Lamb.

*I spoke earlier how I learned, I had received spirits that had been on my Grand Father that had transferred to me when I was about six and a half years old. I also told you the spirit left me when I made Jesus Lord of my life in 1988. I was fifty three years old at the time****. I had no idea what had happened until 2015 when I discovered my Great Grand Father was a Free Mason a 2 1/2 or 3rd degree or possibly higher. Free Masonry is a demonic organization with demons and evil spirits that are associated with the organization.***

Once I learned my great grand father had been a Free Mason the Lord led me to a book entitled BINDING THE STRONGMAN OVER AMERICA by Dr. John Benefiel. After reading the book I went through the deliverance prayers for the different levels of Free Masonry braking off the curses, Great Grand Father had spoken over himself, I pronounced them null and void in the name of Jesus. I then forgave my Great Grand Father for speaking the curses over him-self that came down to me.

In the back of the book there is a BAAL DIVORCE DECREE that I took to the courts of heaven to get a divorced from the unholy union that took place between satan and my great grandfather. Next I took the divorce decree to the courts of heaven to get a WRIT OF ASSISTANCE from the Supreme Judge of Heaven, THE SUPREME JUDGE (GOD). To retrieve everything satan had stolen from me because of the curses my great grandfather had pronounced upon himself that came down onto me. The Judgment is against the house of the strong man and everything associated with him, is to be taken back and carried away as my possessions.

I have recently gone through the book OPEN MY HEART LORD and have had Jesus tear down the walls I had built up in my heart to protect it from the many attacks and hurts orchestrated against me by satan in times past.

***From the time I was six and a half years old until I made Jesus Lord of my life, I know of at least six times satan tried to kill or maim me to prevent me from carrying out the calling God had placed on my life, before He laid the foundation of the world,* Ephesians 1:3-14 also 2:4-10; 1 Corinthians 5:19-21.**

I hope the information presented in this booklet will be a blessing to you and also give you a better understanding of what you might want to change in your life, to be free to operate more fully in the power the Holy Spirit has for you.

SOME REASONS WHY WALLS ARE BUILT

*Walls being built can be the result of fear, **fear resulting from a trauma one has***

experienced, or the result of something our ancestor witnessed in the past or curses they spoke over themselves that was stored in their DNA that has been passed down to us and is stored in the DNA of our cells.

They can also be the result of ***others saying unkind things about you*** ***and you vowing, I will never allow anyone to hurt me again.***

There are many reasons a person may feel they need to build a wall to protect their heart. Some examples are. ***Abandonment, rejection, abuse verbal or physical, slander, un-forgiveness, anger, affection withheld, many are attacked while still I their mother's womb and gilt****.*

Another example could be when ***a parent belittles their child*** *while trying to correct them saying, "****You never do anything right, your dumb or stupid."***

Or a person could build a wall when they ***felt they were let down by someone they trusted,*** *a wife, husband, a dear friend or their pastor.*

A wall could be the result of a person continually speaking hurtful things against them, the result of gossip, the feeling of being unloved by father or mother.

FALSE FEELINGS
May 9, 2020

1. *The feeling of unworthiness.*
2. *The feeling of self-rejection.*
3. *The feeling of fear.*
4. *The feeling of being inferior.*
5. *The feeling of guilt.*
6. *The feeling of self-hatred.*
7. *The feeling of needing to be in control.*

*"Lord Jesus I ask you to take these feelings upon yourself and set me free of them and take the sins, side effects and residue upon yourself****. Thank you Jesus.***

Lord I ask you to forgive me of the things the spirits caused me to do. Thank you Jesus. I forgive myself, because You paid the price for all of my sins in full. Thank you Jesus. Lord I ask You to restore the parts of my heart that held these feelings and make my heart whole once again. I pronounce the assignments of the spirits of unworthiness, self-rejection, fear, inferiority and guilt, self-hatred, need of control; null and void from this day forward and I command the spirits, to go to the feet of Jesus for Him to deal with.

Open the door to my heart Lord so I can receive your Love and the Love of our Heavenly Father and Holy Spirit.

Lord quite my mind so I can concentrate on an intimate relationship with You Lord, our Heavenly Father and Holy Spirit, to see and work with my angels.

Thank you Lord Jesus for all you have suffered to set me free!!!

THE WALLS MUST COME DOWN

No matter what caused a person to built the walls to protect their heart, ***each wall can and must be torn down,*** *before the person will is able* ***to receive love from others or God.***

Every time ***a wall is built a person's heart becomes a little harder****, so it can no longer receive another's love or have room to store any love.* ***A person's heart becomes broken up into little compartments and is no longer whole.***

Water reflects a face, so a man's heart reflects the man, **Proverbs 27: 19.**

Jesus said, "Out of the overflow of the heart the mouth speaks, **Matthew. 12:34.**

When one ***makes Jesus Lord of their life they receive the Spirit of Christ Jesus*** *and their spirit is alive again and they become on fire to do God's work, but* ***their soul and flesh are still worldly and are continually at war with the individual's***

spirit*. Over time a person may become bogged down trying to carry out God's work in their own strength and feel isolated from God's presence.*

A person will need to ***ask Jesus to refine their soul and flesh****, so they come into alignment, balance and harmony with Jesus, God, Holy Spirit and heaven.*

BREAKING DOWN THE WALL,

The first thing a person must do, is ***be willing to allow Jesus to break down the wall,*** *then have Him name the wall that is to be torn down. Next one must* ***ask Jesus to break the wall down and also ask Him to protect them from the hurt that is behind the wall. As He reveals the name of each wall, ask him to tear it down.*** *He will reveal them one wall at a time.* ***He will also help you deal with each of the issues behind each of the walls when you ask Him to.***

When each wall in your heart is torn down ***ask Jesus to restore the area the wall had sealed off and ask him to rejoin it to the rest of your heart.***

Jesus may stop revealing the names of the walls*, but that does not mean the walls are all gone.* ***Jesus may be giving you time to manage all that has taken place.*** *Every now and then ask Jesus if there are more walls He will need to address. As the walls are being removed you could begin feeling a release taking place, as each wall comes down.* ***God's love can start braking through, filling the empty spaces with His love, once some of the walls and hurts are gone!***

PRAYER FOR FORGIVENESS OF THE

SINS OF OUR FOREFATHERS

Heavenly Father I ask you to forgive me of the sins of my forefathers, all the way back to Adam, sins committed in thought, word or deed, willingly, or unwillingly. All the oaths they spoke against themselves and all their sins of un-forgiveness.

I renounce their un-confessed sins in the name of Jesus and ask you to forgive me.

I declare their sins null and void from this day forward so they no longer affect me or my descendants.

Heavenly Father I forgive my Fore Fathers for not asking you for your forgiveness.

Thank you Heavenly Father for your forgiveness of the sins handed down to me from past generations.
